Monologue

Dr. Wallach discusses the poor economy and job losses as well as the benefits of a home based business. He outlines the financial and tax benefits associated with a home-based business through Youngevity.

Pearls of Wisdom

Billy Graff and Dr. Wallach discuss a news story concerning a startling new trend of putting caffeine in body wash and soap products.

Callers

- Terry asks about a parents leaky heart valve and a nephews night sweats and shaking.
- Geri has loose stools and wants to know about chocolate detox.
- Gene has a torn rotator cuff. Tommy has questions about his liver tests.
